Introduction

Ocean View Residence - Hotel Jepara is a beach hotel located in Jepara, Central Java, Indonesia. We offer 24 of the city's most attractive rooms and suites, all international standard. Our unique concept contains a great atmosphere, therefore it is known all around Java. our restaurant contains over 300 seats spread over a pool deck, the beach and even a floating jetty. Breakfast, lunch and dinner is served in western and eastern style. Jepara is a quiet city which is known for the woodcarving, but we will put it on the touristic map with our concept.

Ocean View Residence - Hotel Jepara adalah sebuah hotel dekat pantai yang terletak di Jepara, Jawa Tengah, Indonesia. Kami menawarkan 24 kamar yang paling menarik dan kamar tipe suit, semua berstandar internasional. Konsep unik yang kami sajikan memberikan suasana yang berbeda, karenanya sangat terkenal di Jawa Tengah. restoran kami berisi lebih dari 300 kursi yang tersebar di kolam renang, pantai dan bahkan dermaga terapung.

Sarapan, makan siang dan makan malam disajikan dalam gaya barat dan timur. Jepara adalah kota tujuan yang terkenal akan ukiran kayu, tapi kami akan meletakkannya di peta wisata dengan konsep kita.

Why with Us ?

Ocean View Residence - Hotel is located in the biggest and most famous furniture city of Indonesia, "Jepara". we welcome furniture buyers from all over the world (Europe, Middle East, USA, Africa, etc.) to buy furniture for their companies and projects.

in marketing terms this is great, efficient targeting. You can advertise to 1.000.000 people but if none of them belongs to your potential group of customers it's just not efficient. we give your company the chance to advertise to this small environment of furniture people.

Ocean View Residence - Hotel terletak di kota furniture terbesar dan paling terkenal di Indonesia, "Jepara". kami menyambut pembeli mebel dari seluruh dunia (Eropa, Timur Tengah, Amerika Serikat, Afrika, dll) yang membeli furniture untuk perusahaan dan proyek-proyek mereka. hal ini sangat cocok dan efisien dalam target pemasaran. Anda dapat beriklan ke 1.000.000 orang tetapi jika tidak satupun dari mereka milik kelompok pelanggan potensial anda, hal itu tidaklah efisien. maka dari itu kami memberikan kesempatan kepada perusahaan anda untuk beriklan ke lingkup masyarakat furniture.
